

## CHRISTMAS!

The glad time has come again when the spirit of good will is master, when every heart is stirred with the warmth of devotion, and every true bond of friendship is manifested by generously giving.

Christmas is right before us. It beckons us for early preparation. Experience of many other holiday seasons satisfies us that soon our store will be overrun with busy shoppers. Once again we ask gift seekers to select early. The reasons are obvious for comfort, ease and certainty attend those who follow this suggestion.

Our store is fully prepared for a bounteous Yuletide. It is replete with the finest things to be had for holiday giving. Our Christmas service is at the command of all now.
